Thank you for your interest in supporting the Apex Friendship High School PTSA. Strong community relationships with sponsors like you help us develop and maintain programs that benefit our students. We accept sponsors whose companies are in alignment with our PTSA mission and vision; subject to board approval.

***The AFHS PTSA was awarded the top state level PTA award on May 20, 2017. Our unit was the only PTA out of 160+ units in Wake County to receive this top award and one of only two in the entire state. Sponsorships and donations from our community help us to continue supporting programs and events for our AFHS Family and help us achieve our mission of seeing every AFHS student achieve success and reach their potential by supporting its students, families, staff and facility.
